## hakkımızda / about us

### Hobby Life dünyaya açılıyor

Demirel Plastik ve Kalıp Sanayi, 1990 yılında plastik endüstrisi için kalıp üreten bir firma olarak kuruldu. Şirket, ilerleyen yıllarda "Hobby Life" markasıyla plastik ev eşyaları üretimine başladı.

Istanbul **Hadımköy**'de bulunan **40.000 m<sup>2</sup> kapalı alana sahip**, modern tesislerine 2014 yılında taşınan Demirel Plastik, 10 yıl gibi kısa bir sürede kaliteli üretimi ve sistemli çalışması sayesinde uluslararası platformda tanınan bir şirket olmayı başardı.

Demirel Plastik'in oluşturduğu Hobby Life markası bugün, zarafeti ve modernliği temsil eden tasarımları, popüler renkleri ve üretimdeki üstün kalitesiyle, sağlıklı ürünle eşdeğer hale geldi. Hobby Life ürünleri, ülke çapında market zincirleri ve seçkin mağazalarda yerini alarak, pazardaki kaliteli ürün eksikliğini gidermeyi başardı.

Türkiye'de giderek daha çok ilgi gören HobbyLife ürünleri, Avrupa ürünleri başta olmak üzere **Ortadoğu ve Afrika**'da da **120'den fazla ülkeye ihraç** edilmektedir.

Demirel Plastik, daha çok kazanç yerine, **"sağlıklı, kaliteli ürün ve müşteri memnuniyeti"** anlayışını ilke edinmiştir.

### Fonksiyonel ve özgün tasarımlar

Kalıp üretimindeki tecrübesini HobbyLife ürünleri için maksimum ölçüde kullanan Demirel Plastik, sektörün kalite ve özgün tasarım konusundaki sorunlarının çözümüne katkıda bulunmaktadır. Her ürün için özel tasarımlar geliştiren şirket, Ar-Ge yatırımlarıyla da sektörün öncüsü olmayı başardı. Saha araştırmalarının sonuçlarına göre tüketicilerin ihtiyaçlarını yerinde tespit eden Hobby Life, ürün geliştirme çalışmalarını da bu araştırmaların sonuçlarına göre yönlendirdi. **"Önce müşteri memnuniyeti"** anlayışını, fonksiyonellik şartını esas alarak destekleyen Hobby Life, özellikle ev hanımlarının işini kolaylaştıran ürünlere imza attı.

Türkiye'deki hemen her eve, en az bir ürünle girmeyi başaran Hobby Life, temizlik gereçleri ve plastik mutfak ürünleri konusunda Türkiye'nin ilk markalarından birisi olma başarısını da gösterdi. Ürün geliştirme konusunda modern ve yeniliklere açık bir tavır sergileyen Hobby Life, uluslararası fuarlara da katılarak, kendini sürekli yeniledi, sektördeki gelişmeleri yakından izleyerek, ürünlerine uyguladı. Hobby Life, sektörde yapılanları taklit etmek yerine, kendi tasarımlarına imza atarak, özgün ürünleriyle ön plana çıktı.

### Sağlıklı Ürünler

Hobby-Life, plastik ürünler konusunda insan sağlığını dikkate alarak sağlığa zarar vermeyen hammaddelerden ürünler üretmektedir. Hobby Life, bu konudaki güvenilirliğini **Tarım ve Köy İşleri Bakanlığı ve ISO 22000** gıda güvenliği belgeleriyle de kanıtladı. Gıda ile temas eden plastik eşya üreticilerine verilen bu belge, Hobby Life ürünlerinin gönül rahatlığıyla kullanılabileceğinin garantisidir. Hobby Life'nin sunduğu bu garanti, sağlıklı ürünler kullanmak isteyen bilinçli tüketicinin tercihlerini Hobby Life ürünlerinden yana kullanmasında etkili olmaktadır.

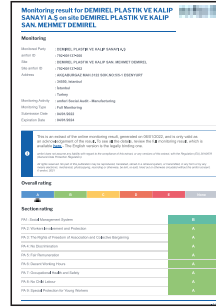

### Her yerde Hobby Life

Türkiye'nin çeşitli bölgelerindeki toptancı bayiler ve marketler zinciri kanalıyla, geniş bir pazarlama ağına sahip olan Hobby Life, Türkiye'nin her noktasına kısa sürede ulaşma başarısını gösterdi. Etkin bir stok kontrol sistemiyle bayilerin tüm ihtiyaçlarını en kısa sürede karşılayan Hobby Life, Türkiye'nin her bölgesindeki tüketicilere ulaşabilmenin de gururunu yaşıyor.

## Sertifikalar/Certificates

### Hobby Life globalizes

Demirel Plastics and Mould Industry was established in 1990 as a company that would produce moulds for the plastic industry. The company, over the years, began to manufacture plastic houseware with "Hobby Life" brand.

Having moved to its modern installations possessed of 40,000 m<sup>2</sup> of indoor area located on Istanbul Hadımköy in 2014, Demirel Plastics succeeded to become a company recognized in the international platform in such a short time as 10 years thanks to its qualified manufacturing and systematical working.

Today, Hobby Life created by Demirel Plastics has become equivalent with reliable products by means of its designs standing for elegance and modernness, popular colors and high quality in manufacturing. Hobby Life products succeeded to overcome the deficiency of qualified products in the market by making its way into supermarket chains and prominent stores across the country.

Hobby Life products which attract increasingly greater attention in Turkey are notably exported to European countries, but also to the countries more than 120 in Middle East and Africa.

Demirel Plastics adopts "reliable, qualified product and customer satisfaction" rather than much more profit as a principle.

### Functional and unique designs

Using its experience in mould production for Hobby Life's much as possible, Demirel Plastics contributes to the solution of the sector's problems upon quality and unique design. Developing special designs for each product, the company managed to become leader of the sector with R&D investments. Hobby Life which monitors consumers' needs on-site with regard to the results of field researchs has shaped product improvement studies according to results of those researchs. Strengthening its "Customer Satisfaction First" understanding by predicating functionality requirement on, Hobby Life has produced products making especially housewives' work easier.

Having entered into almost every house in Turkey with one product at least, Hobby Life showed success of becoming one of the first brands of Turkey on cleaning supply and plastic kitchen products. Hobby Life that adopts an attitude modern and innovative on product development attended international fairs and renewed itself steadily, kept a close watch on developments in the sector and applied them to its own products. Hobby Life came into prominence with unique products by creating its own designs rather than imitating what has been done so far in the sector.

### Healthy Products

Hobby Life creates products from raw materials which are not harmful to health in deference to human health about plastic products. Hobby Life has proved its reliability with Ministry of Agriculture and Rural Affairs and ISO 22000 food safety certificates, too. This certificate given to manufacturers of plastic goods coming into contact with foodstuff is a guaranty to use Hobby Life products with complacency. This guaranty offered by Hobby Life becomes effective on conscious consumers who want to use healthy products and they make their choices on Hobby Life products.

### Everywhere Hobby Life

Hobby Life which has a broad marketing network by way of wholesale dealers and market chains in various regions of Turkey has showed success to reach every point of Turkey in a short time. Hobby Life which meets all the needs of dealers as soon as possible by an effective stock control system takes pride in reaching consumers in every point of Turkey.

Best Regards

## Festiva

Festiva kare saklama kabı, sebze, meyve ve yiyeceklerinizi ister buzdolabında ister dolap içinde muhafaza etmek için çok amaçlı kullanıma sahiptir. Gıda temasına uygundur.

The multi-purpose Festiva box container is designed to design your vegetables, fruits and leftovers just like the first day. It can be stacked on top of your refrigerator, cabinets and drawers and decorates the space by nesting them when not in use.

## Fast and Effortless Cleaning

Discover practical cleaning with the Magic mop bucket, which saves you space with its foldable feature! It is designed to provide maximum space in your home, office and workplace with its fast installation and easy folding - opening structure. The mop bucket, which you can easily hold during cleaning thanks to its easily portable handle, can be easily used in narrow spaces with its foldable feature. It will save space and provide convenience in all areas of life with its high water reservoir capacity.

- Discover practical and fast cleaning with the easily portable mop bucket.  
•Kolay taşınabilir mop kovası ile pratik ve hızlı temizliği keşfedin.

- After cleaning empty the dirty water in to bucket.  
•Temizlik sonrası kovadaki kirli suyu boşaltın.

- Turn the clean mop bucket upside down Apply downward force.  
•Temiz olan mop kovasını ters çevirip aşağı doğru kuvvet uygulayın.

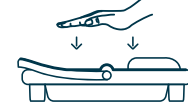

- After folding the bucket completely, remove the foot clips. Fold it inwards, bringing it to the correct position.  
•Kovayı tamamen katladıktan sonra ayak klipslerini doğru konuma getirerek içe doğru katlayın.
